

alternative forward operating locations (FOLs). A potential location would require the operational capacity to house E-3 AWACS KC-135 tankers, Night Hawk F-16s/F-15s, Navy P-3s, U.S. Customs P-3s and Citations, Army Airborne Reconnaissance Low, and Senior Scout C-130s. No agreement has been reached regarding the number of FOLs required, cost of relocating these assets, time to build ensuing facilities, or plans for housing these assets for long-term stays.

(B) SENSE OF THE SENATE.—It is the sense of the Senate that the provisions of this resolution assume that—

(1) the United States is obligated to protect its citizens from the threats posed by illegal drugs crossing our borders. Interdiction in the transit and arrival zones disrupt the drug flow, increases risk to traffickers, drives them to less efficient routes and methods, and prevents significant amounts of drugs from reaching the United States.

(2) there has been an inordinate delay in identifying and securing appropriate alternate sites.

(3) the Senate must pursue every effort to explore, urge the President to arrange long-term agreements with countries that support reducing the flow of drugs, and fully fund forward operating locations so that we continue our balanced strategy of attacking drug smugglers before their deadly cargos reach our borders.

ASHCROFT (AND OTHERS) AMENDMENT NO. 242

Mr. DOMENICI (for Mr. ASHCROFT for himself, Mr. SESSIONS, Mr. GORTON, Mr. ABRAHAM, Mr. BOND, Mr. GREGG, and Mr. HELMS) proposed an amendment to the concurrent resolution, S. Con. Res. 20, *supra*; as follows:

On page 73, after line 10, insert the following:

(c) ADDITIONAL FINDINGS.—Congress makes the following findings:

(1) Children should be the primary beneficiaries of education spending, not bureaucrats.

(2) Parents have the primary responsibility for their children's education. Parents are the first and best educators of their children. Our Nation trusts parents along with teachers and State and local school officials to make the best decisions about the education of our Nation's children.

(3) Congress supports the goal of ensuring that the maximum amount of Federal education dollars are spent directly in the classrooms.

(4) Education initiatives should boost academic achievement for all students. Excellence in American classrooms means having high expectations for all students, teachers, and administrators, and holding schools accountable to the children and parents served by such schools.

(5) Successful schools and school systems are characterized by parental involvement in the education of their children, local control, emphasis on basic academics, emphasis on fundamental skills, and exceptional teachers in the classroom.

(6) Congress rejects a one-size-fits-all approach to education which often creates barriers to innovation and reform initiatives at the local level. America's rural schools face challenges quite different from their urban counterparts. Parents, teachers, and State and local school officials should have the freedom to tailor their education plans and reforms according to the unique educational needs of their children.

(7) The funding levels in this resolution assume that Congress will provide an additional \$2,800,000,000 for fiscal year 2000 and an

additional \$33,000,000,000 for the period beginning with fiscal year 2000 and ending with fiscal year 2005 for elementary and secondary education.

(d) ADDITIONAL SENSE OF THE SENATE.—It is the sense of the Senate that the levels in this resolution assume that—

(1) increased Federal funding for elementary and secondary education should be directed to States and local school districts; and

(2) decisionmaking authority should be placed in the hands of States, localities, and families to implement innovative solutions to local educational challenges and to increase the performance of all students, unencumbered by unnecessary Federal rules and regulations.

HUTCHISON AMENDMENT NO. 243

Mr. DOMENICI (for Mrs. HUTCHISON) proposed an amendment to the concurrent resolution, S. Con. Res. 20, *supra*; as follows:

At the appropriate place, insert:

It is the sense of the Senate that a task force be created for the purpose creating a reserve fund for natural disasters. The Task Force should be composed of three Senators appointed by the majority leader, and two Senators appointed by the minority leader. The task force should also be composed of three members appointed by the Speaker of the House, and two members appointed by minority leader in the House.

It is the sense of the Senate that the task force make a report to the appropriate committees in Congress within 90 days of being convened. The report should be available for the purposes of consideration during comprehensive overhaul of budget procedures

MOYNIHAN AMENDMENT NO. 244

Mr. DOMENICI (for Mr. MOYNIHAN) proposed an amendment to the concurrent resolution, S. Con. Res. 20, *supra*; as follows:

On page 71, strike lines 3 through 7.
